

# STD/HIV CONFERENCE

**Evening Workshop**  
**5:30PM – 9:00PM**

A special workshop will be held for clinical providers. The goal of this conference is to develop successful strategies that will be implemented by health care providers to help reduce the high rates of STD/HIV/AIDS in the Virgin Islands.

Discussion and presentations will occur on the following topics:

- Epidemiology of STDs/HIV in the USVI
- STD Testing Issues
- HIV Rapid Testing
- Counseling & Talking about Sexual Health Issues with Clients
- Breakout and Panel Discussions
